

Novel Coronavirus (COVID-19) Testing Drive-through Facility: 5 Steps to Getting Tested

Location: Enzo Clinical Labs, Inc., 10 Executive Blvd., Farmingdale, NY 11735

If you are experiencing flu-like symptoms, have been in contact with someone with novel coronavirus (COVID-19) or have traveled to a high-risk area, contact your doctor and local health department immediately. **You will need a prescription from your doctor to receive the test at this location.** Your doctor can fax the prescription directly to Enzo Clinical Labs at (631) 918-5755.

Call (800) 550-3033 to schedule an appointment for COVID-19 testing. You will be assigned a drive-up appointment time over the phone. **At this time we are only doing drive-through testing on Tuesdays, Wednesdays and Thursdays.**

Bring your driver's license, insurance card and your prescription (unless it has been faxed to us by your doctor) and **drive to 10 Executive Blvd, Farmingdale, NY 11735.**

When you arrive at the site, signs and staff will direct your car.

Keep your windows closed and remain in your car for instruction.

Our staff will direct you to the collection area. Your identification will be checked and matched with the information provided over the phone. **A healthcare professional with protective gear will collect a sample using a nasal swab.** Once the swab is complete, you can drive away (no need to wait for any additional information).

Your specimen will be processed at Enzo Clinical Labs. **You will receive your results directly from your healthcare provider.**

Your results will be available within 1 – 3 days.
